THIS IS TO CERTIFY that the "Sno-Hosh Water, Light and Power Company, Limited," specially incorporated under Part IV. of the "Water Clauses Consolidation Act, 1897," on the twenty-third day of March, 1908, has submitted its undertaking to the Lieutenant-Governor in Council for approval, and that the said undertaking, as shown by the documents and plan filed, has been approved and that the same is as follows:

1. The construction of dams at the points shown on the map filed with the application, on Sno-Hosh Lake, and on a small lake situated on Deadman's Creek, about five miles below Sno-Hosh Lake, for storage of water for power or irrigation purposes on the lands defined on the maps filed with the said application:

2. The construction of canals, ditches, flumes and pipe lines:

3. The acquisition of such lands as may be necessary for the Company's undertaking:

4. The acquisition of water by record or purchase, and the use thereof for irrigation purposes on the lands mentioned in the petition of the Company:

5. Generally the powers set out in the Memorandum of Association.

It is hereby expressly declared and provided, that after so much of the three thousand miner's inches of water, mentioned in the three records

thereof, issued to M. S. Wade, and referred to in the petition of the Company, has been reasonably used for the irrigation of the lands for which such records were granted, as mentioned in such records, no further part of said three thousand (3,000) inches of water shall be used for any other purpose until sufficient water from Deadman's Creek and said Sno-Hosh and small lakes, not exceeding in all seventeen hundred (1,700) miner's inches is taken and reasonably used by Smith Curtis, or his assigns, for the irrigating and other purposes mentioned in the two records of eight hundred miner's inches, and nine hundred miner's inches granted to the said Curtis, on the 18th February, 1908, by George C. Tunstall, Assistant Commissioner of Lands and Works for the Kamloops Division of Yale District, for use in connection with the four thousand nine hundred and twenty-six (4,926) acres, (excluding 219 acres thereof) in the southern part of Deadman's Creek Indian Reserve, mentioned in said records, issued to said Curtis.

And it is also expressly declared and provided, that in the event of any question arising between the Company, its successors or assigns, and the said Smith Curtis or his assigns, as to the storing of water under their respective records in said Sno-Hosh Lake (also known as Deadman's or Mowich Lake), such questions may be referred, settled and disposed of under and in accordance with section 34A of the "Water Clauses Consolidation Act, 1897," and amendments thereto.

And this is further to certify that the amount of the capital of the Company, which will be duly subscribed for carrying on its undertaking, is hereby fixed at the sum of twenty-five thousand dollars (\$25,000.00) before it exercises the powers conferred by the "Water Clauses Consolidation Act, 1897," and amending Acts, and such capital shall be subscribed and twenty-five per cent. thereof actually paid up within three months from the date hereof; and the times within which the undertaking and works are to be commenced and completed are three months and two years, respectively, from the date hereof.

It is further hereby expressly declared and provided, that the right to convey the water of Sno-Hosh Lake and said small lake and Deadman's Creek for use on lands on the south side of the Thompson River, shall not be exercised in priority to the actual bona fide exercise of any right that may hereafter be obtained by any person or corporation to use said water on any lands on the north side of said Thompson River for irrigation purposes, and nothing herein contained shall prevent the obtaining of any such right by bona fide applicants therefor.

And subject, as aforesaid, such application is hereby approved.
